

Application for meter installation and account set up.

(NSW, QLD & SA).

This form is for a residential meter installation and account set up for electricity and/or gas.

Your builder, electrician or plumber will submit this form to us on your behalf, so we can organise the meter installation and set up an account under your name. Please complete all sections of the form in block letters and tick any boxes relevant to your application. (Please scan both sides of the form.)

Date of request: _____

Title: First name: Last name:

Date of birth: Contact number: Email:

ID (please select preferred option) Driver's licence: Passport: Medicare:

Driver's licence/Passport/Medicare no: State of issue:

3. Your acceptance.

Account holder agreement.

I authorise EnergyAustralia to:

- arrange my gas and electricity connection
- contact me about my connection
- collect personal information on this form
- set up my account using the information provided above so I have energy supply when I move in
- send my Welcome Pack, future bills and any product and service offers by email

Plan details.

I agree:

- that upon installation or when my builder/electrician/plumber requests an account transfer, to be placed on the EnergyAustralia standard retail contract (terms and conditions, rates and charges are available at energyaustralia.com.au). EnergyAustralia will send me a Welcome Pack for this product.

Our standard retail contract is an ongoing plan with no discounts, benefits. For eligible electricity customers charged on a flat tariff (with a controlled load, if applicable), this plan is our equivalent of the Default Market Offer and the reference price is regulated by the Australian Energy Regulator. For other customers, including gas customers, the rates are set by us. The rates for Basic Home may vary, either when the AER changes the reference price, or when we review our rates each year. We'll notify you before any rate change occurs. Find out more about the Default Market Offer and the other plans that may be available to you at energyaustralia.com.au. An information sheet that contains all key plan details can be found in our Basic Plan Information Documents which are available on our website or upon request.

Charges.

I accept:

- any standard connection fees for my electricity and/or gas
- that these connection fees will appear on my first bill
- that most connection charges come through EnergyAustralia from my Distributor and may vary according to required works and my distribution zone
- if the works create a non-standard charge, I will be contacted to approve before proceeding.

Your privacy and credit check.

- We value your privacy. Our privacy policy and credit information statement, at energyaustralia.com.au/privacy, explains how we use and disclose your personal and credit information, your rights to access any information they hold and the credit reporting bodies that we exchange information with.
- A credit check will be conducted, and you will be contacted by mail if you do not meet our credit requirements.
